

MBC Sculpture

Sefton

Contract: Sefton MBC Sculpture

Client: Sefton MBC, Design Dept,

Form of Contract: ICE 5th Edition and MMHW

**Date and duration: June 2006;
2 weeks duration**

Value: £ 6,000

The sculpture represents: "Aspice, Respice and Prospice" (consider the present, reflect on the past, and provide for the future)

It was constructed on a reinforced concrete base, textured paving, and Marshalls' hazard warning paving, the sculpture which had been designed by a local artist was installed by crane and lowered into a predefined base.

Main suppliers and sub-contractors
